

PEEL JUNIOR TOUR 2014

Brought to you by

BENDIGO BANK, MANDURAH MURRAY MAYDAY, ENERGY POWER SYSTEMS AUSTRALIA
AND GARDEN CITY BOORAGOON

INFORMATION PACK

WELCOME

Thankyou for being a part of the Peel Junior Tour for 2014, which this year also includes the Hall Cycle Training Women's Criterium event for the first time!

This year will also be the first time holding the event at the Kwinana Motorplex. Most cycling clubs will know the pain of increasing vehicular traffic at our favourite and classic road courses, and the dangers this presents to our competitors. Moving this event to closed and off-road location will hopefully give us healthy racing without the added concern of vehicles.

PARKING

The entry gate to Kwinana Motorplex, off Anketell Road, will not be open until 7:15 AM. Once through the gate proceed to the right and through the toll-booths.

Ample parking is available on the grassed areas as marked on the map. Please do not park in the Western-most area (near Registration and Finish Line).

This shouldn't need mentioning, but please be cautious when parking as competitors may be using the area to warm up.

REGISTRATION

Once you arrive please proceed to the Registration desk, where we can take your license and give you your race numbers and timing chip. We will also need a Commissaire to check your rollout distance and equipment, like clip-on TT bars, helmet, wheels at this time.

RACE NUMBERS AND TIMING CHIP

Your larger number needs to be placed on the lower back of your jersey (pockets) and the smaller number on your RIGHT waist.

Your timing chip needs to be placed on your RIGHT fork, with the little handles pointing forwards and backwards as pictured below.

TENTS

The Western-most grassed area near the finish line has been reserved for spectators. It should offer good views as all events finish within view of this area. Feel free to erect tents as there is no shade or shelter available.

Please keep a 10 metre clearance of the finish line, especially bikes with timing chips attached, as they will be detected by the timing system and make the lives of the operators difficult.

TOILETS

Full toilet and changeroom facilities are available in the block across from the registration tent. Please watch for ongoing races after lunch when crossing the road, as it forms part of the course.

FOOD

A food stall will be located also across the road from the registration tent. Items available include cold drinks, hot drinks, sausage sizzle, sandwiches, and assorted sweets. Again please watch for racers when crossing the road.

PROLOGUE

First event will be a 500 metre sprint, from a standing start in the dragstrip area riders will come under the bridge and finish in the carpark. Please assemble near the registration tent 10 minutes prior to your event so you can be escorted to the starting line. The event will be from a rolling start behind the pace vehicle, you must not start your sprint till you reach the line and hear the whistle from the Race Director or Commissaire.

TIME TRIAL

Time Trials start next to the registration tent and use the full length of the dragstrip access road and carpark. Please assemble near the registration tent 5 minutes prior to your start time, as missing your start block may attract time penalties.

Riders will need to KEEP LEFT to avoid oncoming riders as we are using both sides of the road. Riders will also need to track their own distance/laps, and take care when entering/leaving the circuit.

WOMEN'S CRITERIUM

This event will start and finish in the carpark area. Please assemble near the registration tent 10 minutes prior to your event for a race briefing, and for a neutral first lap behind a pace vehicle.

Once your time limit is reached you will receive a bell for final lap.

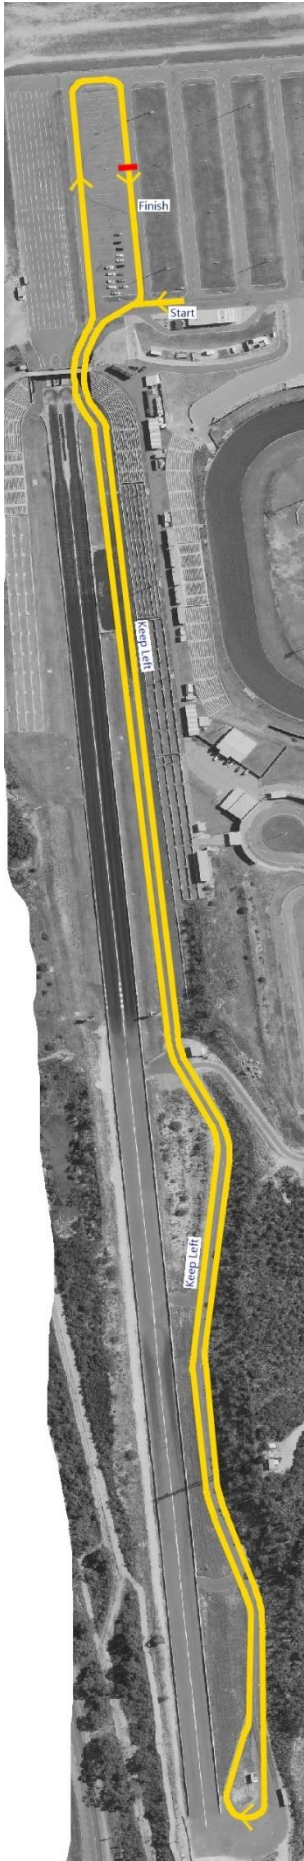

ROAD RACE

The Road Race uses much of the Motorplex complex including some complex corners and narrow sections. Please assemble at the registration tent 10 minutes prior to your start time for a race briefing.

First lap will be neutral behind a pace vehicle, and you will receive a bell for your final lap.

PRESENTATIONS

The presentation ceremony will commence after the judges have decided on the final race, at approximately 4 PM.
